NATIONAL COIL COATING ASSOCIATION (NCCA)

1300 Sumner Ave., Cleveland, OH 44115
216/241-7333, fax: 216/241-0105
COILCOATING.ORG

Turn to the **National Coil Coating Association** and its members for all that is prepaint. Manufacturers in many industries are converting from costly in-house paint shops to using metal finished with the environmentally friendly, highly efficient coil coating process. NCCA members include coil coaters, metal producers, metal service centers, brokers, coil processors and warehouses, as well as equipment, service and material suppliers involved in the continuous coil coating industry. Visit the association's website for a wide variety of free educational information including technical tool kits, case studies, videos, online tutorials and a comprehensive supplier database to help you find a supplier to meet your needs.
